Battlevoid: Harbinger is a chaotic action roguelike genre game that puts the player in a hazardous and hostile environment, where every character has his or her own motivations and limitations. The main challenge of Battlevoid: Harbinger is to survive and have fun with the available tools. Key Features: © Freely roam in an open, persistent world! © Buy, sell, trade, or loot weapons and equipment in real-time! © Collect, use, and upgrade unique tools from the world! © Set your pace by choosing between story and sandbox modes. © Tackle and defeat hideous monsters in the backstory! © Storyline: The lonely land of Eterna is a terrible place in which the innumerable people are devastated by a severe disaster. The nation of Cusp is abandoned and Eterna is in a period of "pseudo-reconstruction". Many technology has been lost, but some people still live in Eterna. Those people wander around the land full of natural disasters. Although a great disaster happens every night, people still survive. And only few of those people knew a mysterious force is at work. A force that summons new events out of the wasteland! Setting: Eterna is a distinctive world, a harsh place where abnormal things happen at all times. The gigantic Dragon is waiting on the mountain to devour every living thing in Eterna. The world of Eterna is a persistent, epic space where players never get bored. Players will not find a single dull place in it. ----- Haunted Halls: Revenge of Dr. Blackmore is a highly immersive and thrilling Hidden Object Puzzle Adventure game in which you search through bizarre and unsettling scenes to find and use the correct objects to work through each puzzle. In the scenario chapter of Haunted Halls: Revenge of Dr. Blackmore, you'll wake up to find yourself in the lair of Dr. Blackmore. Although you can see your fianc and a handful of others being held hostage, you're not sure if you are in the same situation. To clear your head and try to remember what happened, you head to a small office/study on the first floor, where you can ask the Doctor questions about your condition and what is happening. You'll quickly learn that you're a prisoner in Blackmore's lair. So let's see what's next in this adventure: Main story: ----- You are being held prisoner by Dr. Blackmore in his underground lair. He has recreated a series of disturbing experiments for you to experience. He wants to find out what your reaction will be to each of them, and if you can survive the ordeal. Only by finding the objects that he needs to survive these experiments will you be set free. Objective in each Scene: ----- In each scene, find objects in a list which you will later use to work through the puzzle. Object to find: ----- Objects are hidden as copies of real-life objects. All the objects in the list are clearly and discreetly named. Once you find and use an object, they disappear, leaving you a list of objects that you can browse. Tips: ---- You can use your keyboard to open boxes, bookcases, etc. Falling objects can often lead to new items, so be careful! You can use the mouse to interact with a scene, as well as use the cursor keys. Search area: ----- You can search the entire room or just a particular area to find objects. Hint/Underground area: ----- After a brief introductory scene, another underground area will appear, complete with black and white flickering lighting and dotted under layer. The floor is also littered with objects on which you can interact to find items and open things. The under layers are opened by using a particular item. Objective: ----- Objects can be found under a hidden layer of the scene. Once you find the correct item, you'll be able to interact with the layer by clicking the

### **What's new:**

$$\int \frac{1}{\sqrt{1-\omega^2}} d\omega = \arcsin \omega + C$$
  
Convert all spectral amplitudes in the right side of the equation to absolute values  $\int \frac{1}{\sqrt{1-\omega^2}} d\omega = \arcsin |\omega| + C$ , so that now:  $\int \frac{1}{\sqrt{1-\omega^2}} d\omega = \arcsin \omega + C$
