8-in-1 IQ Scale Bundle features the great-scale surreal adventures of Dr. Numb, a mad scientist who has invented an IQ test to determine the level of intelligence of each individual he meets. It's a test with many different variations, allowing each individual to run the test in the way they prefer. A majority of IQ tests are based on the Latin values, but as Dr. Numb tells us in his first speech, "We've come to a point in history where we need to reassess our values, and investigate the extraordinary. We are embarking on a journey to discover who we are as a species. Our pursuit will be based on scientific evidence, and the application of all our rational minds. But don't just take my word for it. It's up to you to find out where you stand on this path. You know, you're free to invent your own test!" BONUS - 8-in-1 IQ Scale Bundle will be bundled with a single day pass to download all your 10 extra quests, via the new "Discover The Doctor" quest where you'll be shown a movie of an alien with medical skills and weapons unique to your quest. The quest series will focus on different genres, allowing you to discover more than 2 different intelligent inhabitants across the game's 10 quests. 8-in-1 IQ Scale Bundle is for testing and second opinion purposes only. 8-in-1 IQ Scale Bundle is ad-free, and player's progress and achievements will be shared with other players on Steam. 8-in-1 IQ Scale Bundle allows you to choose one variation of the test for each quest, making the gameplay more fast paced and fulfilling. You also get a daily report page where you'll be able to check the average performance of your team. 8-in-1 IO Scale Bundle allows the player to choose their own test preferences (Latin, English, Math, Physics, etc.), with a series of a different combinations each day. The combination will be displayed in the bottom right corner of the game screen. 8-in-1 IQ Scale Bundle has over 500 unique questions and will take a lot of playtime. 8-in-1 IQ Scale Bundle is suitable for all types of players, allowing them to try in different ways and to find their strengths, flaws and preferences with different combinations of tests. Super Animal Royale Super Edition is the third official soundtrack album by American music duo Brockhampton. It was released on April 6, 2017 by Columbia Records through Polydor Records. The album contains songs from all the soundtracks of the 2015-2016 season of the television series Brockhampton: The Stories, as well as one new track. Super Edition ranked at #4 on the Billboard 200 for the week ending April 11, 2017, selling 27,000 album-equivalent units in its first week of release. Upon its release, the album received widespread critical acclaim from music critics. Background Brockhampton previously released two remix albums, Bromance (2015) and Every Cloud (2016), in between their television series appearances. A soundtrack album was also released, titled Best of Brockhampton (2016). Super Edition was released after the 2017 Saturday Night Live television broadcast. Music magazine Rolling Stone reviewed the Super Edition album as the #10 greatest soundtrack of 2017. Story The Brockhampton television show follows five members who form a unique hip-hop collective. The show and the soundtrack album are based on the relationships and musical influences of the members. Brockhampton dropped the TV series on February 7, 2016 on Hulu with four episodes available at once. The first three episodes were watched by 4.5 million viewers, the majority of who watched them all. Release and promotion Super Edition was released April 6, 2017 by Columbia Records. It was released as a CD and digital download, as well as a vinyl record. After the television show featured the album as background music, Columbia Records uploaded the soundtracks for Episode 4 and 6 on YouTube on February 7, 2017 for pre-order for the public and free downloads on the iTunes Store. Super Edition was ranked #4 for the week of April 11, 2017 on the Billboard 200. The themes and musical influences of the music video were selected by Brockhampton. It

was released January 8, 2017 on Vimeo. The music video for "Million Dollars" was released March 30, 2017, on Vimeo. Reception Critical reception The track list and the album received widespread critical acclaim from music critics. Pitchfork ranked it at #10 for the best album of 2017, saying that it has more consistency and themes than their previous releases. At #7 on the Billboard 200, the album managed to sell 5,000 album-equivalent units in its first week of release, despite being debuted on the

We were surprised when the industry started working on new generation of games, we thought that no new games that match the quality and style of our games and it was bad news for us. So we started creating our own games and now we are in the process of release our new game! TopGameRE Description: TopGameRE is an RPG type of game with a 2d isometric perspective with randomly generated worlds and features: - You start by choosing a character, choose your class, you can become a Warrior, a Magician, a Swordsman, a Mage or a Thief. Then you begin your adventure in the world of Triesa, that has different environments, dungeons, cities and wildernesses. The world has a non-linear system, not only that, you will be able to hack and slash your way through the Game and you will be able to complete sidequests and make a very flexible story. - There are over 350 unique items to find, all of them are hard to find and to find a group of friends who will help you to do so. We even designed a unique system for those items, not only that, using your equipment you can give life to the spirits of the dead. Then you will have to face many more challenges and dangers including monsters, gods, even your own allies.. Features: - You can customize your character's appearance, choosing your features, your physical appearance, your armor and your helmet. - You will be able to learn over 20 different languages, some of them are easy but others will be hard. The language skill system will be really important in the game because if you use a wrong language, you will be able to get robbed, beaten up, kidnapped or even killed. - There are a lot of different environments: - Deserts - Forests - Dungeons -Dungeons, more dark and dangerous than the first ones - Mines,

caves, towns, cities, mountains, volcanoes... - Dungeons, more dark and dangerous than the first ones - Mines, caves, towns, cities, mountains, volcanoes... - Bridges, canals, pathways - Depends on the map that you will get randomly when you play the game - Depends on the map that you will get randomly when you play
