miércoles 12 de julio pasado de la subasta de un
medallazo con la imagen del presidente Mauricio Macri y
el signo de la Iglesia católica, o el de su imagen
desgravada. El caso de Juan Carlos Schmidte, señalado
como autor del sello, se remonta a varios meses. El joven
recordó que se había escrito una carta a Enrique y a la
reina de Bélgica, pero la respuesta nunca llegó. El
medallón fue compartido en Instagram y, en forma poco
ortodoxa, también fue arrebatado de las víctimas de
pedofilia. Posteriormente, las autoridades de la Iglesia
católica señalaron que no se trataba de una imitación
mítica sino que el que hiciera el senador involucraba una
"perverse entrega del siglo XIX". La respuesta de las
autoridades del gobierno se hizo clara y el jueves 14 de

Biography Broumelou was born in the town of Pontianassa (Epirus), to a middle-class family from Drimen, and was one of the five sons of Justinas Broumelou, a senior officer in the Greek Army who had refused to sign the capitulation of the Greek army in the Italian campaign, and therefore was sent to prison at Aquilea. In 1880, his father was transferred to Salonika and became a leader in the Greek upper class. John Broumelou graduated from the Infantry School at Agathopoli and reached the rank of lieutenant in the regular army. During the Balkan Wars, Broumelou fought with distinction during the breakout from the Thessaloniki Salonica fortress, gaining a reputation for heroism. At the outbreak of the First Balkan War, Broumelou was appointed adjutant general to the commander of the II Army Corps, and participated in the siege of Adrianople and the capture of many Turkish fortresses. After the war, he became a member of the wealthy Parisian banking clan of the Delca family and

was promoted to general in 1896. He played an important role in the Greco-Turkish War, during which he was in charge of the Siege of Philippi. He was one of the main army commanders in the First Balkan War, during the siege of the Fortress of Salonica, and later in the First and Second Balkan Wars. At the outbreak of World War I, the Second Balkan War broke out between Bulgaria and Serbia, which led to an alliance between the latter and Greece. In the summer of 1914, Broumelou returned to Greece, 1cdb3666d
