Monster Hunter: World - The Handler's Guildmarm Costume; Monster Hunter World: The Handler's Kokoto Gal's .This update includes the following fixes: * Fix to prevent certain UVC class compliant devices from stalling on some files. We are still tracking an issue on more recent version of UVC devices but have not seen this issue on other users of the driver on other operating systems. We hope

to have a device that doesn't cause this issue before the 10.3.3 release. * Correction to the removal of management capability of USB device when the USB device driver is unplugged. Please note that this update not only improves the USB device driver but also improves the overall productivity of Samba users. Users of the HA SMB client and all other UFS
