In that time, a new power has emerged from the strife: powerful Clans, warring one against another for control of territory and power. But as the years have passed, the Clans have lost much of their unity as their leaders wage war against their people, their planet, and each other. You are a new Clan leader, working to rebuild your broken people and their shattered sense of unity. You are the chosen one. A being brought to life by the spirits of the Old Gods. As you travel you will gain insight into the past, and the power to change your people's fate. You will learn who you are and what your purpose is. Your reward for this journey, however, is not simply knowing the answer to life's greatest mysteries. To truly lead your people, you must learn how to navigate the dark path and become a true leader. The Old Gods grant you many powers, but they ask one thing in return: that you will one day sacrifice yourself to save your people. The city will pursue construction of a linear park along Milwaukee Avenue between Sauganash Avenue and Western Avenue and on the Hiawatha LRT right-of-way between Lawrence and Kimball avenues under a proposed agreement with the Regional Transportation Authority, a developer said. A 24-acre tract along Milwaukee Avenue near the intersection of Lawrence Avenue has been offered to the RTA as the basis for the park, said CIM Group senior vice president Bill Holford. The park could be constructed in conjunction with the Sauganash-to-Kimball section of the Hiawatha LRT, he said. The offer of the land is in accordance with a recently released environmental impact statement for the project, Holford said. The city and CIM have previously reached an agreement to develop the 64-acre parcel as the "Sauganash Station" and move forward on the project. The agreement includes creation of a mixed-use development with 442 residential units, 128,000 square feet of commercial space and 250,000 square feet of open space, along with public parkland, a day care center and a commercial building. The 606-space CTA Blue Line terminal is planned for a parcel directly south of the project. The CTA has plans for a 532-space commuter parking garage at Lawrence Avenue and Western Avenue. The RTA project was first announced in 2011, but construction was delayed while the agency reviewed plans for the LRT. The agency plans to begin construction of the LRT later this year. The agency estimates that the project would cost \$160 million and create 1,250 construction jobs. "As we work through finalizing the budget and preparing a conceptual design, we've received requests for additional land within the project area," said RTA spokeswoman Jean Feurt said in a statement. "We've worked with the community to identify land that can accommodate the requests, and a purchase agreement has been executed between CIM and the RTA. The purchase agreement with the city allows for the sale of the land at fair market value to ensure a level playing field for the project." WAS IT EVEN REALMYST IN THE FIRST PLACE? I'VE WONDERED THAT FOR THE PAST 2 YEARS. There is a guy making a tutorial on Youtube that is based on unknown's guide and he is claiming that he is using unknown's actual guide and his tutorial isn't affiliated with unknown in any way, nor is it his guide as it is his own youtube channel. He really wants us to know that his tutorial is going to help with figuring out realMyst: Masterpiece Edition, which it can't because he doesn't have the original source files. So we can't help him. This guy has given us fake support from other channels and we have no more a clue if his tutorial is legit. Buy the realMyst Masterpiece Edition and then take the plunge by trying to figure out if he is using your actual guide. But the thing is, you can easily go to realMyst's site and see for yourself if he really is using this because his link to Mystown's Mac App Store is "realmystgame.com" which is a different site to the realMyst website we all use. There are some tutorials on Youtube but it isn't the same as a real guide. There have been videos done with a lot of
