Hello, I'm new to the forum. I've been asked by the owner of one of my t-shirts to help produce it. So, I applied myself to learning as much about t-shirts and clothing in general as I could, and found this site. It's been interesting so far, and I've been learning and finding cool things. I would like to participate in the photo contest. It'd be great if anyone could give me advice on entering it. Is there an entry form I can fill out? I've seen it on other sites, but not here, and I don't see any information on how to enter the contest. I would like to print one of my drawings as my shirt design. (It's a lot of work to make a shirt, so I don't want to do it. I'll do it as a gift to the person who designs the shirt I'm ordering.) I would like to take a picture of it wearing my t-shirt and post it to a website for other people to see it. The image must have a small version of a drawing of my shirt on a white background. How would I go about this? I would like to print one of my drawings as my shirt design. (It's a lot of work to make a shirt, so I don't want to do it. I'm loving it, and I'm sure the members here will love you as much as I do. "I would like to print one of my drawings as my shirt design." Take the high-res image you want to use, and print it on card stock. Cut it to size, and iron it onto the material you plan on using. You will want to figure out a size, so that it is the right size for the shirt. I am not sure how to do this? If you want a specific size, use a website like this You can find others like it here:
